

Chrome Browser

How Do I Add Another Account to Chrome?

Sometimes you need to have a second account (or profile) set up on your Chrome Browser. This most often is done in the case of the Learning Coach. Many families will set up 1 profile for the student to be use most often, but a second Learning Coach profile that can be used when the LC needs to access school sites.

Hover over the  to see a preview of the screenshot, click on it to see full size.

1. Open Chrome
2. In the top right, click on the name (shows the current profile)
3. Choose "**Manage People**" from the drop down. 
4. Choose "**Add Person**" from the lower right of the new screen. 
5. From the new screen, you will have 3 options; Name, Icon, and if you want to show shortcut for this profile on the desktop. This last one is optional. (See image below)
6. Once you click "**Save**", you will have a brand new Chrome window, asking you to sign in with your Google account. 
7. From here you can follow the same directions seen on [How Do I Sign Into Chrome?](#)
