

Blackboard Learn

How Do I Change My Blackboard Learn Password?

Your password is the key to your account security, and you should change your password regularly. We suggest you change it once every grading period.

Hover over the  to see a preview of the screenshot, click on it to see full size.

1. After logging into BB Learn, click on the **Global Navigation** Menu. 
2. Scroll down to the bottom of the menu and click **Settings**. 
3. From the Settings area, click **Personal Information**.
4. On the Personal Information page, choose **Change Password**.
