## What Is The Administrator Password?

To ensure consistency in equipment and programs, as well as to ensure that we comply with the policies of both PA Virtual and the PA Dept of Education, we will not provide the administrative password for PA Virtual provided computers. Should you have a legitimate need for administrative rights, you can contact the PAVCS Technology Helpline to assist you. Please see "[What Is The Tech Support Helpline Number?](#)"

Unique solution ID: #1025
