

# Ink

## What is the Ink Program?

Each school year, PA Virtual supplies up to two replacement black ink cartridges for each student. Families can place that order any time during the school year. Orders are placed on the web, through PA Virtual. Orders take up to 2-3 weeks for delivery.

The ink and shipping is provided free of charge to parents. PA Virtual provides up to two black ink cartridges per student. Parents with multiple children attending PA Virtual can order multiple ink cartridges within a single order. They will be shipped together, and can save time and money. We ask that parents with multiple children attending PA Virtual order all of the ink for their students at one time so as to save PA Virtual shipping costs.

Ink will be shipped to the address PA Virtual has on file. If you have recently moved or your address has changed please contact your Family Support Coordinator to update your mailing address.

Check the [How Do I Place An Order For My Replacement Ink?](#) for directions on ordering ink.
