## How Do I Access My School Provided Email?

Every student, and every Learning Coach in PA Virtual Charter School is provided with a Google Apps for Education account. To access your Google Apps for Education (GAE) email:

1. Go to <http://mail.pavcs.us>
2. In the 'email' field, use your PA Virtual provide email account.
3. Use the password provided.
4. On first login, you will need to approve the user agreement, and change your default password.

Learn some additional tips about using Gmail
